

ISMAIL RESIN

PET Resin Manufacturer

FILM GRADE | BOTTLE GRADE

ISO 9001 : 2015
ISO 14001: 2015
ISO 45001: 2018

FILM GRADE: IV 0.63

BOTTLE GRADE: IV 0.76, 0.80 & 0.84

The state-of-the-art facility, equipped with 300 tons/day production capacity, started its commercial production in September 2023. The Continuous Polymerization technology is from Oerlikon Barmag (Germany) and Solid State Polymerization technology from Polymetrix, formerly known as Buhler (Switzerland). Ismail Resin has attained PepsiCo Approval, ISO 9001: 2015, ISO 14001: 2015, ISO 45001: 2018, FSSC 22000 & Halal Certification for their PET Bottle Grade Resin. Since its establishment in 2023, Ismail Resin has expanded its presence worldwide.
